## HONORARY DEGREES

### DOCTOR OF LAWS

Joseph Manuel Hartfield

Stephen Augustus Rapier

## Charge to the Graduating Class\*

On this Commencement day you stand in a new relation to the University, to the State and to Life. The University that has given you of its store of learning looks upon you as its sons and daughters. The State now conceives of you as citizens, well prepared to do your part in the government, development and guidance of the Commonwealth.

If what you have learned while here has given you larger intellectual interests, and widened your powers of understanding, the University feels a part of its duty done, and if in the doing character has become your possession and a part of your moral fiber, the State is satisfied with its investment of men and money.

The University trusts you have learned to approach problems with open minds, to set aside prejudice in your judgment of men and affairs. It hopes that you will shun evil in all its forms and be ready to strive for what is right.

May you have in your declining years, material comfort, the respect of your fellow citizens, the feeling of work well done, and a spiritual and intellectual interest in human life.

---

\* This charge and the pledge which follows were written by Dr. Frank L. McVey, President of the University of Kentucky from 1917 to 1940. Each graduating class since 1917 has heard the charge and taken the accompanying pledge.

Meantime, the University's honor is your honor. In your acts and deeds you now reflect your heritage. To your fellow man, the University is measured by your character, by your deeds, by the company you keep. It is in this spirit that the University calls upon you to be true to the larger things of life, to be men and women of courage, integrity, sympathy, and gentleness.

By the granting of the degree you have been admitted to the fraternity of letters, and to the larger fellowship of the University. It is right and fitting that you should stand and solemnly raising your right hand repeat this pledge with me:

## The Pledge

*In the presence of this audience, citizens of the Commonwealth and members of the University, with a strong sense of my responsibility, I promise to hold my degree so no loss will come to it through my holding, to regard it as a claim upon my loyalty to Alma Mater and to pledge myself to the service of God and my fellow man.*

In testimony of your conduct and purpose, the University Faculty recommending, the Board of Trustees of the University has conferred upon you the Diploma of the University of Kentucky, confirmed and acknowledged by the great Seal of the University.

## COMMENCEMENT HONORS

---

### THE ALGERNON SYDNEY SULLIVAN MEDALLIONS

The award is made to one man and one woman of the graduating class of the University of Kentucky each year and to one other person who is not a student of the University, who need not be a graduate of any college or university, but who shall have some interest in, association with or relation to the University of Kentucky, official or otherwise, of a nature to make this form of recognition obviously appropriate.

## ALMA MATER\*

Hail Kentucky, Alma Mater!  
Loyal sons and daughters sing;  
Sound her praise with voice united;  
To the breeze her colors fling.  
To the blue and white be true;  
Badge triumphant age on age;  
Blue, the sky that o'er us bends;  
White, Kentucky's stainless page.

Hail thee ever, old Kentucky!  
Glorious is thy heritage;  
Proud thy name and thy traditions;  
Proud thy place on history's page!  
May we ne'er forget thy fame  
Mother of the great and free;  
May we'er uphold thy name,  
Old Kentucky, hail to thee!

\* \* \*

## THE NATIONAL ANTHEM

Oh say! can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watch'd, were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there.  
Oh, say does that Star-spangled Banner yet wave  
O'er the land of the free and the home of the brave?
